Re: Notice of Ex Parte - Wireless Emergency Alerts (WEA) – Docket # 15-91

Dear Ms. Dortch:

On April 20th, Hutch McClendon, John Anderson and Chris Guttman-McCabe, representing AC&C/PGAlert, met with Zenji Nakazawa, Acting Public Safety and Consumer Protection Advisor to Chairman Pai, and separately had a meeting with representatives from the Public Safety and Homeland Security Bureau, including Lisa Fowlkes, Acting Bureau Chief, David Furth, Deputy Bureau Chief, Brenda Boykin, Attorney Advisor, Renee Roland, Special Counsel, and Greg Cooke, Deputy Division Chief. The purpose of the meeting was to discuss the Commission's FNPRM on Wireless Emergency Alerts ("WEA") and how the PGAlert solution can solve Public Safety's concerns regarding geo-targeting of emergency alerts while providing significant revenue opportunities for the wireless carriers that will help future-proof the WEA service.

If you have any questions, please feel free to contact me.

Sincerely,

/s/
